Re: Water Right Permit No. CG2-24185@1 (Emerald Terrace)

Dear Mr. Blackman:

In response to your request, you are hereby granted an extension to file a Proof of Appropriation on the above-referenced water right for the reasons below:

- Due diligence has been demonstrated through continuous infilling of the service area. System is currently serving 13,500 connections.
- Full use not yet reached due to a decrease in total water volume as a result of the system's recently instituted Water Conservation Rate.

The new deadline to put the water to **full beneficial use** and send a completed Proof of Appropriation form is **January 1, 2016.**
